

TRIANGLE GROWTH PARTNER

COMPANY PROFILE

www.trigropartner.com

Triangle Growth Partner is a premier capability development firm based in Chennai, India. We prioritize generating tangible business impact through our people development programs, focusing on ensuring that individuals effectively apply their learning in the workplace.

WHO WE ARE

In health, there's no one-size-fits-all approach. Wellness programs should cater to employees' individual wants and needs. By prioritizing personal well-being in the workplace, it fosters a healthier and more enjoyable environment, ultimately enhancing productivity and satisfaction.

Individuals and organizations worldwide benefit from our learning and wellness solutions, which include classroom training, online training and corporate training.

Our corporate and well-being training programs offer a cost-effective way to train any number of employees, whether it's a small team or a large workforce.

WHY TGP

Triangle Growth Partner (TGP) ensures that our onsite training programs create a comfortable learning environment, which is why our record for corporate/onsite training is exemplary. Our flexible and cost-effective training solutions, delivered at the client's preferred location, make us the ideal choice for this training method.

We have also trained numerous individuals who have successfully applied their skills in their professional lives. We can swiftly guide you from a beginner to a Management System expert. Regardless of your current level, we can customize training to meet your needs and those of your business.

Business Oriented Courses

Our dedicated staff and subject matter experts constantly work to provide corporates with the desired training and skill enhancement programs.

Distinctive Course Quality

Our course materials and content are the best in the market, with unique insights and information.

Experienced & Skilled Instructors

Our instructors are well versed in their respective fields with exceptional expertise and years of experience.

OUR STATEMENTS

01. VISION

To provide continuous training and development, through Divinely inspired training, which will enhance personal productivity, change through growth and marketability, thereby investing in any Company's most valuable asset, their people.

02. MISSION

To become a skills hub for accelerated business, management and entrepreneurial learning for companies by promoting and delivering accessible quality capacity building services while providing an unmatched instructive atmosphere.

03. QUALITY & EXCELLENCE

Our highest priority is quality and the services we provide. We continually strive for excellence and are committed to evidence-based improvements

04. SKILL & KNOWLEDGE

We ensure that we have the knowledge, skills and tools to respond to service needs and improve the competency levels of the workforce and leadership population, now and in the future.

TRIGANGLE GROWTH PARTNER can support your organization in achieving its desired outcomes by offering a wide range of services. These include stress management, health and wellness programs, relaxation techniques, training and leadership development, communication solutions, operational and maintenance excellence, quality management, and mentoring. Our comprehensive approach is designed to help you define and realize your business goals while ensuring a sustainable impact on your bottom line.
